

## TRICKEY POND MEMORIAL FUND

The Trickey Pond Memorial Fund was set up to allow someone to make a contribution to honor the memory of a relative, friend or neighbor while contributing to the preservation of the lake that the individual had enjoyed. The fund will be used for expenditures that will have a long term effect on keeping the lake in the present pristine condition. The form below will give us the information needed to acknowledge the contribution and to notify the appropriate person that a contribution had been made in honor of the named individual.
